

LIVE AT THE FOOTHILLS OF MOUNT LOUISA

Attracting families seeking a better style of living - Hillside Gardens offers the fresh start you've been craving, at some of Townsville's most affordable prices.

While larger estates crave the crowds and the spotlight, we are small and private, on purpose.

Hillside Gardens is a rare opportunity, hiding in plain sight. It's prime position in the foothills of Mount Louisa, at the end of Thorn Street, means that your new home is a destination, not a thoroughfare.
